Recommendation Letter

To Whom it May Concern:

I am very glad to write this letter of recommendation on behalf of Urziya Dukenbay whom I have known for four years, during which she was the student of computer science.

Urziya is very hard-working and a motivation and inspiration to other students. She always overcomes her financial hardships and tries to excel in all fields; she is extremely good in academics and also actively participates in all co-curricular activities. She was a member of the Education club and social-financial club Enactus. She participated in social projects of the Enactus, helping students with gaps in the educational process and also helped students prepare for exams by Discrete Math, Basic Circuit Theory and Digital design. One and a half years she was an assistant at Deputy Dean of Studies and assisted in the teaching of the Basic Circuit Theory and Digital Design. She was a volunteer and helped in organizing the conference MobiEvent 2015 and also 3-month internship in Constantine Gorozhankin (is president of the АКИБ (Kazakhstan Internet Association of Business and mobile commerce), director in iStartUP and co-owner in KazNet Events).

She is very popular among the fellow students and is a very intelligent, hardworking, humble and with excellent leadership qualities. She always shows her interest in academics and always stands ahead in studies. She is a student who actively participating in the classroom discussions and always stands out to help her fellow students.

I sincerely recommend Urziya for the scholarship as I feel she is the right candidate for that program. I am sure if given a chance she will prove to be the best student in the master of the university.

Sincerely,

Recommendation Letter

To Whom It May Concern:

I am very glad to write this letter of recommendation on behalf of Urziya Dukenbay whom I have known for four years. As instructor of her I have been teaching the courses "CSS201 Basic Circuit Theory" and "CSS202 Microelectronics". I can describe Urziya as a committed, creative and sincere person having exceptional mental abilities.

As a instructor of Urziya, I can say that she has proved itself with good behavior, her ability to grasp the material quickly. I remember her as one of the most able students in the class, and her work in the classroom consistently reflects the level of insight and attention to detail. She was my assistant when I was deputy dean of studies and taught the second course, being in the third year. She proved to be responsible in teaching and in relation to the students. She conducts lessons and short quiz. She helped translate laboratory book. Urziya as a student showed good performance during training and as an assistant teacher cope with the responsibilities assigned to her as an assistant teacher. She has also taught in the education club and helps students to supplement the knowledge to prepare for the exams, the students who needed help in the learning process. She helped students on following subjects: Linear Algebra, Discrete Math, Basic Circuit Theory and Digital Design.

I strongly believe her outstanding performance, personal traits, and a capability to conduct a high quality research can make a strong contribution to any graduate program. Urziya is a hardworking and top-performing student. She has my highest recommendation for your Master's program, and I am happy to furnish more details if you would like additional information.

Sincerely,

I am writing regarding Urziya Dukenbay, who has worked as a Data Base Engineer in our company QA/QC department, she designs and code our data base program, we are using this program for all our documentation, data management and calculations on our project, we are still requesting new parts to the program for our upcoming tasks in the future.

I thoroughly enjoyed my time working with Urziya and came to know her as a truly valuable asset to our team, she is honest, dependable, and incredibly hard-working. Beyond that, she is an impressive problem solver who is always able to address complex issues with strategy and confidence. Urziya is inspired by challenges, and never intimidated by them.

Along with her undeniable talent, Urziya has always been an absolute joy to work with. She is a true team player, and always manages to foster positive discussions and bring the best out of other employees.

Without a doubt, I confidently recommend Urziya to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that she will be a beneficial addition to your organization

Please feel free to contact me, should you like to discuss Urziya's qualifications and experience further. I'd be happy to expand on my recommendation

Best wishes,

Dervis Karabulut
